This Privacy Policy explains how HugeAll "We" collect, use and (under certain conditions) disclose your personal information. This Privacy Policy also explains the steps we have taken to secure your personal information. Finally, this Privacy Policy explains your options regarding the collection, use and disclosure of your personal information. By visiting the Site directly or through another site, you accept the practices described in this Policy.

We acknowledge you care how information about you is used and shared, and we appreciate your trust that we will do so carefully and sensibly. This Privacy policy describes how HugeAll Private Limited and its relevant (collectively "HugeAll") collect and process your personal information through HugeAll websites , devices, products, services, online marketplace and applications offered by HugeAll Private Limited.

We will only keep your information for as long as we are either required to by law or as is relevant for the purposes for which it was collected.

You can visit the Site and browse without having to provide personal details. During your visit to the Site you remain anonymous and at no time can we identify you unless you have an account on the Site and log on with your user name and password.

1. Data that we collect (What Personal Information About Customers Does HugeAll Collect?)

We collect your personal information in order to provide and continually improve our products and services.

Here are the types of personal information we collect:

Information You Give Us: We receive and store any information you provide in relation to HugeAll Services. We collect, store and process your data for processing your purchase on the Site and any possible later claims, and to provide you with our services. We may collect personal information including, but not limited to, your title, name, gender, location, Your account information, preferences, date of birth, email address, postal address, delivery address (if different), telephone number, mobile number, fax number, payment details, payment card details or bank account details and your activity on the site, searches and other activities, Your communications, Your Public Posts.

You can choose not to provide certain information, but then you might not be able to take advantage of many of our HugeAll Services.

Automatic Information: We automatically collect and store certain types of information about your use of HugeAll Services, including information about your interaction or activity on site or with content and services available through HugeAll Services. Like many websites, we use cookies and other unique identifiers, and we obtain certain types of information when your web browser or device accesses HugeAll Services and other content served by or on behalf of HugeAll on other websites.

Information from Other Sources: We might receive information about you from other sources, such as updated delivery and address information from our carriers, which we use to correct our records and deliver your next purchase more easily.

We may pass your name and address on to a third party in order to make delivery of the product to you (for example to our courier or supplier). You must only submit to us the Site information which is accurate and not misleading and you must keep it up to date and inform us of changes.

Your actual order details and your account, activity details may be stored with us but for security reasons cannot be retrieved directly by us. However, you may access this information by logging into your account on the Site. Here you can view the details of your orders that have been completed, those which are open and those which are shortly to be dispatched and administer your address details, bank details (for refund purposes). You undertake to treat the personal access data confidentially and not make it available to unauthorized third parties. We cannot assume any liability for misuse of passwords unless this misuse is our fault.

Your Public Posts and activity: You also may provide information (such as ratings, reviews, tips, photos, comments, likes, save, friends, lists, etc.) to be published or displayed (hereinafter, "posted") on publicly accessible areas of our Services, or transmitted to other users of our Services or third-parties (collectively, "User Contributions"). Your User Contributions are posted on and transmitted to others at your own risk. Although we limit access to certain pages, you may set certain privacy settings for such information by logging into your account profile. Please be aware that no security measures are perfect or impenetrable (see "Security" section below). Additionally, we cannot control the actions of other users of our Services with whom you may choose to share your User Contributions. Therefore, we cannot and do not guarantee that your User Contributions will not be viewed by unauthorized persons. We may display this information on the Services, share it with businesses, and further distribute it to a wider audience through third party sites and services. You should be careful about revealing any sensitive details about yourself in such postings.

2. Uses of your Personal Information

We use your personal information to operate, provide, develop, and improve the products and services that we offer our customers. These purposes include:

Purchase and delivery of products and services. We " HugeAll" use your personal information to take and fulfill orders, deliver products and services, process payments, and communicate with you about orders, products and services, and promotional offers.

Provide and improve HugeAll Services. We use your personal information to provide functionality, analyze performance, fix errors, and improve the usability and effectiveness of the HugeAll Services.

Recommendations and personalization. We use your personal information to recommend features, products, and services that might be of interest to you, identify your preferences, and personalize your experience with HugeAll Services.

Comply with legal obligations. In certain cases, we collect and use your personal information to comply with laws. For instance, we collect from sellers information regarding place of establishment and bank account information for identity verification and other purposes.

Communicate with you. We use your personal information to communicate with you in relation to HugeAll Services via different channels (e.g., by phone, e-mail, chat).

Advertising. We use your personal information to display ads includes Third-Party Advertisers and Links to Other Websites: HugeAll Services may include third-party advertising and links to other websites, services, products, apps and other ads. Third-party advertising partners may collect information about you when you interact with their content, advertising, and services. These ads for features, products and services that might be of interest to you. We do not use information that personally identifies you to display interest-based ads.

We provide ad companies with information that allows them to serve you with more useful and relevant HugeAll ads and to measure their effectiveness. We never share your name or other information that directly identifies you when we do this. Instead, we use an advertising identifier like a cookie or other device identifier.

Fraud Prevention and Credit Risks. We use personal information to prevent and detect fraud and abuse in order to protect the security of our customers, HugeAll, and others.

3. Cookies

We " HugeAll", and third parties with whom we partner, may use cookies, pixel tags, web beacons, mobile device IDs, "flash cookies" and similar files or technologies to collect and store information in respect to your use of the Services and third party websites. A cookie is a small text file that is stored on your computer that enables us to recognize you (for example, as a registered user) when you visit our website, store your preferences and settings, enhance your experience by delivering content and advertising specific to your interests, perform research and analytics, track your use of our Services, and assist with security and administrative functions. Cookies may be persistent or stored only during an individual session. A pixel tag (also called a web beacon or clear GIF) is a tiny graphic with a unique identifier, embedded invisibly on a webpage (or an online ad or email), and is used to count or track things like activity on a webpage or ad impressions or clicks, as well as to access cookies stored on users' computers. HugeAll uses pixel tags to measure the popularity of our various pages, features and services. We also may include web beacons in e-mail messages or newsletters to determine whether the message has been opened and for other analytics.

Most browsers are set to automatically allow cookies. Please note it may be possible to disable some (but not all) cookies through your device or browser settings, but doing so may interfere with certain functionality on the Services. Major browsers provide users with various options when it comes to cookies. Users can usually set their browsers to block all third-party cookies (which are those set by third-party companies collecting information on websites operated by other companies), block all cookies (including first-party cookies such as the ones HugeAll uses to collect search activity information about its users), or block specific cookies. To modify your cookie settings, please visit your browser's help settings. Flash cookies operate differently than browser cookies and cannot be removed or blocked via web browser settings. By using our "HugeAll" Services with your browser set to accept cookies you are consenting to our use of cookies in the manner described in this section.

Third parties whose products or services are accessible or advertised through the our Services, including social media services, may also use cookies or similar tools, and we advise you to check their privacy policies for information about their cookies and other practices. We do not control the practices of such partners and their privacy policies govern their interactions with you.

4. Information from Third Parties

We may collect, process and store your user ID associated with any social media account (such as your Facebook and Google account) that you use to sign into the Services or connect with or use with the Services. When you sign in to your account with your social media account information, or otherwise connect to your social media account with the Services, you consent to our collection, storage, and use, in accordance with this Privacy Policy, of the information that you make available to us through the social media interface. This could include, without limitation, any information that you have made public through your social media account, information that the social media service shares with us, or information that is disclosed during the sign-in process. Please see your social media provider's privacy policy and help center for more information about how they share information when you choose to connect your account.

We may also obtain information about you from third parties such as partners, marketers, third-party websites, and researchers, and combine that information with information which we collect from or about you.

5. Security

We have in place appropriate technical and security measures to prevent unauthorized or unlawful access to or accidental loss of or destruction or damage to your information. When we collect data through the Site, we collect your personal details on a secure server. We use firewalls on our servers. Our security procedures mean that we may occasionally request proof of identity before we disclose personal information to you. You are responsible for protecting against unauthorized access to your password and to your computer.

6. Your rights

If you are concerned about your data you have the right to request access to the personal data which we may hold or process about you. You have the right to require us to correct any inaccuracies in your data free of charge. At any stage you also have the right to ask us to stop using your personal data for direct marketing purposes.
